

Top: **Karina Barg**. *Untitled Hands #1*, 1991; Color Polaroid collage; Fine Art Endowment Purchase; LUF 93 1077

Bottom: **Rei Ukon**. *we never said good-bye but we'll never meet again*, 2022; Mixed media collage with washi paper, acrylic, oil pastel and pearl beads on canvas

BODIES OF KNOWLEDGE

“Bodies of Knowledge” is a multi-site art exhibition that explores the many roles that the human body takes in shaping and creating knowledge. Local artist submissions were paired with works from the exhibition to reflect on the relationship between our bodies and ourselves. **How do we take care of our bodies, and how do our bodies take care of us?**
