IMLS Digitization Internship

Learn the art of digitization while archiving original photographs from LUAG’s collection. Interns will learn the fundamentals of art handling in a behind-the-scenes museum storage environment. Prepare works for scanning, learn about image resolution and archival standards, color management and metadata.

Qualifications:

· Excellent organizational skills and an eye for details
· Excellent verbal and written communication skills
· Experience and proficiency in Microsoft Office (experience in Adobe Creative Suite or other design programs are a plus)
· Ability to work independently and as a team player in a fast-paced environment, handle multiple tasks at once, and adhere to deadlines
